# TROLLEYS

## Adjustable multi-service trolleys

The FERMOD trolley is designed with the same qualities and design features of the FERMOSTOCK shelving system. The units are assembled using the patented aluminium clips that ensure complete stability and rigidity without welding, or the need for tools. Very versatile, this trolley has the capability to carry numerous accessories making it suitable for most applications.

### The end user :

- Gastronorm sizes 2/1 & 1/1 compatible
- Compact before assembly
- Light mobility
- Fast installation without tools
- Easy cleaning thanks to the removable shelves
- To be use with multiple accessories

The multi-service FERMOD trolley is designed for the food industry and conforms to the construction and regulations ensuring the highest hygienic standards. These trolleys can be used with or without polymer removable shelf inserts depending of the version and are dishwasher safe (-30°C / + 90°C). They are equipped with 4 composite castors, 2 with brakes (diam. 125).

### 2 versions :

#### Gastronorm 2/1 & 1/1 (2 or 3 levels)

- Depth : 560 mm
- Length : 710 mm
- Height : 959 mm
